

Integrity | Innovation | Excellence

CAPABILITY STATEMENT

EXECUTIVE SUMMARY

ITDC is an SBA Certified 8(a) Management Consulting firm, dedicated to the success and sustainability of our customers and their missions. Since 2010, we have been providing cost-effective, scalable, and task-specific enterprise business and technology solutions. Our combination of deep cloud-native modernization expertise, hands-on AWS GovCloud and FISMA Moderate experience, federal data governance and environmental mission support capabilities, and lean delivery practices ensure that we deliver best-value, compliance-ready solutions to EPA and the broader federal civilian community.

ITDC has a passion for creating lasting solutions, based on industry best practices, proven engineering methods, and effective technical approaches, that deliver a high return on investment and quality services. We value our relationships with our customers and partners, and always strive to innovate and provide excellent services that exceed expectations.
